NEXT GEN CONFERENCE 2026
SPONSORSHIP PROPOSAL

about us

The **IFGF Next Gen Conference** brings together hundreds of emerging leaders from across the USA and Canada. For the past 5 years, our mission has remained the same: to empower and equip the Next Generation to encounter God and fulfill their calling.

Your sponsorship makes this mission possible.

why invest?

Each year, hundreds of young people and their leaders gather at the Next Gen Conference who are hungry for God, searching for direction, and ready to be shaped for their calling. **For the past five years, we've watched Jesus move in powerful ways.** Lives changed, hope restored, callings awakened. Our conference continues to grow, but our mission remains the same: **to encounter God, equip the Church, and empower the next generation to lead with courage and faith.**

Your sponsorship does more than support an event.

- It opens the door for a young person to hear God's voice for the first time...
- It helps a student discover their calling...
- It surrounds a leader with community and hope...
- It fuels a movement of young hearts returning to Jesus.

By sponsoring the Next Gen Conference, **you're sowing into lives that will impact families, churches, and communities for years to come.**

The image features three overlapping circles of different colors—dark blue, red, and orange—set against a solid black background. The circles are arranged horizontally and overlap in the center. The text "ways to invest" is written in a white, serif font across the middle of the circles.
